## DETAILED ACTION

### *Priority*

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

### *Claim Rejections - 35 USC § 102*

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Moller et al. (U.S. 3,817,419). Moller et al. teaches an airtight container having a body 10 with an opened upper surface at 12, a lid 21 and a locking portion at 20. At least two locking flanges (30-37) are disclosed in col. 2 lines 23-28. The locking portion has locking flanges which are pivotally coupled to the lid between elements 30- and 25 (see figure 2). The hooking protrusion is shown at 40 and the hooking ribs are shown at 13 and 14.

### *Response to Arguments*

4. Applicant's arguments with respect to claim 1 have been considered but are moot in view of the new ground(s) of rejection. Moller et al. teaches a hooking protrusion formed in the middle of a lower portion of the locking flange as set forth in the amended claim.

Art Unit: 3727

*Conclusion*

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
